## Time for action

Buy the versatile Clip & Rip watch from Ex Time for the fantastic price of £30 – a saving of £10!

**B**e prepared for anything with this great-looking, sporty clip-on watch. Now you don't have to wear an uncomfortable watch on your wrist while exercising or chilling out – simply attach the Ex Time Clip & Rip watch to your belt, bag, clothing or just about anywhere!

Inspired by climbing karabiners and kite-surfing harnesses, it's as much a style statement as an activity essential. It's sleekly designed to clip to your belt rather than your wrist, and brings new meaning to the word 'multifunctional', boasting a built-in compass, moonlight and magnifying glass. It's also water-resistant up to 30m. So as well as making sure you get to your appointments on time, with the Clip & Rip you're prepared for any sporting eventuality.

H&F readers can buy this watch for the great price of £30 (that's a saving of £10 off the usual RRP of £40). Simply quote the code 'extimehalf' when you call 0872 555 333, or type it in at the checkout on [www.extremepie.com/extime](http://www.extremepie.com/extime).
