4 EXTREME PRIME TIME!

SLICK NEW CLIP & RIP WATCH OFFER RIGHT IN YOUR FACE.

These sleek little beauties have been designed by timepiece professors Ex Time as the ultimate activity watch, inspired by extreme sports-type the world over. And the Clip & Rip isn't just a watch - it's got a built-in compass, magnifier and microphone, and is water-resistant up to a depth of 30m. It clips on to just about anything and has been inspired from the handlooms used in rock climbing, and harnesses used in kite surfing and Wood Surfing. Now these little beauties retail at £40 but Ex Time have a wicked offer for all Xbox World readers to get them for an awesome £30! All you have to do is just quote the code below - when you call 0800 505 333, or type it in at the checkout on www.extremepie.com/360. You know it makes sense.

5 MUSIC DOWNLOAD BONANZA!

35 FREE CHOICES FROM A CATALOGUE OF OVER 2.7 MILLION SONGS!

We all know that music always sounds so much better when it's free, so thank online music store eMusic profusely for offering us a free four-week trial to its subscription. As part of the trial you'll be given 35 songs of your choice, and they'll remain yours even if you decide not to stay! Unlike other online music sites you're not just renting the songs. Anything you download can be burned to CD for your own usage and won't be deleted should you have eMusic's subscription service. The music on display spans all genres, regularly updated columns and personal recommendations. Tracks can be downloaded from as little as 20p and are available in DRM-free MP3 format - so they'll work with all MP3 players. Warning: offer includes music that may have been recorded by Feare.

HOW TO CLAIM
Visit emusic.com/xboxworld to join up. Then download your 35 free songs and take two weeks to decide whether you want to continue.
